

## **DISSEMINATION ACTIVITIES in Greece**

1. A circular was distributed to every student of our junior high school which aimed at informing about the participation of the school in the Erasmus program KA2 titled "Keep your balance, Take chances, Move on" at the beginning of the program. This was also posted on our school website as well as our facebook page. According to the feedback we received from this circular, the Erasmus afternoon class was scheduled for every Monday 15:00-17:00 in order to start working on the activities set by the program. Our students filled a form giving information about their personalities as well as what they seek to achieve through this project.
