

## Legend Quest: Differentia

### Scene 1

*The twelve Greek Gods sitting around, talking and looking very upset.*

**Zeus:** Evicted? What's that? Eviction to Gods? Who has thought of that absurd idea?

**Hera:** Chill! It's a chance to go on holidays after so many millenniums! That new galaxy, Differentia sounds promising!

*Gods arguing, shouting, disagreeing with each other.*

**Hermes:** Silence! Let's vote! We don't have all day, you know! Some of us are pretty busy!

*The Gods vote! And Hermes announces the results.*

**Hermes:** Be it resolved that we are moving to a new house passing the keys to the new God!

*They all transport themselves to Differentia and by one lands on the surface.*

### Scene 2

**Appollo:** Wheee! That was fun! That tingling feeling at the end was unbelievable.

**Ares:** What on earth are you talking about? That was dreadful. I never want to feel like that again.

**Athena:** Excuse me, is it me or something weird has happened? I feel a bit weak.

*All the Gods start mattering, expressing their worried that something terrible occurred to them.*

**Demetra:** Guys guys! I don't want to interrupt but somethings not right! I cant make that tree grow! Whats wrong with me?

*All Gods start yelling: our powers are gone, what should we do?*

**Aphrodite:** We are doomed! We have become....humans! What a greek tragedy!

**Dionysus** (dizzy): It can't be that bad. Drink your worries away! Look, people are coming towards us! Let's welcome them with some wine!

*It's a welcome-committee with all sorts of people dressed differently from one another.*

**Hans:** Willkommen strangers to our planet Differentia! Follow us to our town.

*Gods and the committee get to know each other till they reach the town.*

### Scene 3

*Everything is automated with robots, skyscrapers, offices, colorful people from different galaxies and the city is floating on water.*

**Hephestus:** Wow this place is nice to live!

**Artemis:** What have these people done to this place! Where would I go hunting?

**Nowak:** Hunting? What's that? We don't believe in violence here. We don't like hunting others, whether its people or animals! As long as they don't bother us, we don't bother them either.

**Kemal:** We are satisfied and content with what we have. We don't believe in greed.

**Hestia:** You are so lucky! Your kids won't ask you for presents and favors all the time!  
(laughs)

**Martina:** Kids? Favors? Don't ring a bell.

**Pluto:** Oh, you don't have any kids? So that's your soft spot. This place seemed too good to be true!

**Zeus:** Let's make a deal everyone! We can help you restore your families and keep your balance if you help us get our powers back.

*The committee and the Gods exchange information to help each other.*

**Eleni:** Okay! We can take our chances with kids and families and you Gods keep a balance and don't stick your noses in other peoples' businesses. Let humans grow and learn from their mistakes without interfering with their destiny.

*The Differentia committee and the Greek Gods shake hand to seal their cooperation and promise to meet again someday.*
